PassPorter's Disney Weddings And Honeymoons: Dream Days At Disney World And On Disney Cruises

Synopsis

Walt Disney World hosts more than 2,500 weddings each year, and it's one of the most popular honeymoon destinations in the world. Whether you're looking for a casual vow renewal on the beach, a designer wedding in the shadow of Cinderella Castle, or a honeymoon with a touch of pixie dust, this book is for you! PassPorter's Disney Weddings & Honeymoons is both a guidebook and a bridal organizer tailored to the unique requirements of planning a wedding, vow renewal, or commitment ceremony at Walt Disney World or on the Disney Cruise Line. It will take you through the entire process, outline your options, offer valuable tips, organize your information, and help you plan your event down to the last detail—including what to say when the umpteenth person asks, "Is Mickey going to officiate?" (Answer: "No, that's Goofy's job!"). We've combined everything you'll want to know about prices, the contract, locations, food, decor, entertainment, photography, and transportation with worksheets that help you capture essential details, compare choices, and record your inspiration. We've also included two chapters full of ideas for making a Walt Disney World or Disney Cruise Line honeymoon extra special. This 280 page volume includes 225+ beautiful black and white photos and includes a full chapter on Disney's brand-new, low-cost Memories Collection for vow renewals and elopements. These intimate ceremonies for groups of six or fewer will be available throughout 2011 as part of Disney's Fairy Tale Weddings' 20th anniversary celebration. We cover everything you need to know including the price, locations, package elements, available upgrades, and booking policies of these and every Disney wedding offering. Also included is complete information on Disney's new Facebook app, My Disney's Fairy Tale Wedding, which serves as a wedding web site, RSVP tracker, room booking engine, and social network for your event.

Customer Reviews

This book exceeded my expectations. Being an October 2013 Disney bride, it was full of amazing insight and guidance for planning. Although the pricing has changed a little bit since this book was printed, the rest of the information was spot on. In working with Disney Fairy Tale Weddings (DFTW), sometimes there is a lag between communication. With this book, you can get an idea of what questions to ask and do some of the research on your own. HIGHLY RECOMMENDED FOR ANYONE THINKING OF/PLANNING A DISNEY WEDDING!!!

So far I'm not impressed. Although this book is useful and provides some ideas and insight into Disney weddings, it is not as useful as I had hoped. Most of this information can be found for free by going to Disney's wedding web site and searching the internet. To top it off, most of the information on Disney wedding packages is outdated and therefore not correct and not useable for planning a detailed wedding.

Great information to those planning their weddings at Disneyworld.

This book is a must have for anyone planning a Disney Wedding! Great tips and pointers from someone who has actually been there and planned it all!
