Customer Reviews

Got the book free from bridal expo. Excellent source for invitation wording and thank you writing. Book is well worth the price. Would highly recommend.

This book is very informative! It has a lot of history on traditions of all types of weddings around the world-- not just typical American Weddings. Totally worth buying.

I found this book helpful and interesting. Not the first book I go to with a wedding question, but it's the second. Worth having if you plan weddings.

This book was an excellent guide for planning my wedding. It also is an excellent resource for those sticky questions!

This book was my favorite and I bought about 10. This one was the most complete and helpful in planning and sticky etiquette.
