## Customer Reviews

This book helps professionals conduct safe and effective pest management on public and private forests, tree plantations and nurseries, and along roads, railways, utility corridors, biking and hiking trails, and other rights-of-way. The book's 190 photos and illustrations, 56 tables and sidebars, and 11 main chapters aid in pest identification and problem diagnosis and provide users with pesticide and nonpesticide solutions. Forest and Right-of-Way Pest Control, second edition, UC ANR Publication 3336, 340 pages, \$35, [...].
