Customer Reviews

Cute book! More stencils than I expected, will be in for making autumn & holiday decor. Gave 3 stars because the item was poorly packaged & received damaged along the lower spine. As it didn't affect the stencils inside, I didn't think returning it would be worth the bother.

Adorable group of stencils. I love how the book came with little folders to put the stencils in once you have used them. The plastic they are made of is nice and sturdy not flimsy either.
