Customer Reviews

Bought these books as a gift for a vegan friend and looked into them. I was amazed at the huge variety of recipes that, as they say, looked good enough to eat! Choosing the cuisine of the area of the world you like helps to get interesting books.

This little volume to have a good selection of easily prepared vegan dishes. Easy to read directions are easy to follow.

It's important for vegans to keep their culinary options wide open. This cookbook provides an excellent selection of recipes for vegan chefs of any level. Yum!
