# Brannigan's Building Construction For The Fire Service Student Workbook

## Synopsis

The Student Workbook contains exercises to reinforce what you will learn in both Branniganâ™s Building Construction for the Fire Service, Fifth Edition and the classroom. You will find a variety of exercises for each chapter, including:

- Multiple Choice
- Numerous multiple choice questions for each chapter prepare you for exams.
- Fire Alarms
- Scenarios help you develop your decision-making skills by describing emergencies and challenging you to come up with practical solutions.
- Labeling
- Cement your mastery of difficult concepts with illustration labeling activities.
- Word Fun
- Quiz your knowledge of terminology and spelling with crossword puzzles.
- Research Questions
- Explore real-world building construction in your community with these in-depth research exercises.
- And More
- True/false, fill-in-the-blank, short answer, and matching!

In case you have a question about an exercise, page references to Branniganâ™s Building Construction for the Fire Service, Fifth Edition are provided in the answer key for every question. Perforated pages make it easier for you to hand in homework assignments.

## Customer Reviews

Contents covering the book are actually covering the community. There were so many topics and ideas were rising in my mind after seeing the topics at least i am satisfied and happy. Actually i love books collections of my field. But one thing i suggest with your permission that there should be more concession for NFPA members specially from underdeveloped countries. Thanks to for serving the world community.Regards,Abdul Karim NoonInstitute of Fire & Safety TechnologyMultan, Pakistan

I like that the tactical considerations are grouped together at the end of chapter.

Thanks
