The Magic Of Hydrogen Peroxide

Synopsis

An Ounce of Hydrogen Peroxide is Worth a Pound of Cure. Hydrogen peroxide is trusted by many hospital and emergency rooms in the country for its remarkable ability to kill deadly germs like E. coli. In fact, it has attracted so much interest from doctors that over 6,000 articles have appeared in scientific publications around the world. Smart consumers nationwide are also discovering there are hundreds of health cures and home remedy uses for hydrogen peroxide. This new book called The Magic of Hydrogen Peroxide is now available that tells you exactly how to use hydrogen peroxide by itself...and mixed with simple everyday kitchen items...to make liniments, rubs, lotions, soaks and tonics that treat a wide variety of ailments

Customer Reviews

As the author implies, "Always Use Caution" AND always check with your doctor if you have any health concerns. This book is written in a layout of historical background and folklore. There are many uses for hydrogen peroxide shared here and most are recommended with low grade level

H₂O₂ (hydrogen peroxide). The many uses (not all included in this book) depend on the strength and what you mix it with (i.e. dye in glow sticks, to make peroxide blonde hair, grout cleaner, AND yes as a tooth cleaning agent, etc.) but caution is advised! That being said, my take is if it can be used as a main ingredient in explosive devices (higher strength), I'm not sure I want it (even lower strength) IN my body, but perhaps as a cleaning agent in the house. Note, 35% hydrogen peroxide is used to prevent infection transmission in hospital environment, and hydrogen peroxide vapor is registered with the US EPA as a sporicidal sterilant. Quick research indicates the following grades apply (not necessarily recommended by author Thacker, just FYI):

Grade	Strength	Uses	Stabilizers
3%	Hydrogen Peroxide (Drug Store / Grocery Store Variety)	Made from Diluted 50% Super D Peroxide.	Contains stabilizers: phenol, acetanilide, sodium stannate, tetrasodium phosphate, etc.
6%	Hydrogen Peroxide (Used by Beauticians in Hair Coloring)	Comes in strengths labeled 10, 20 and 40 volume. Activator added to use as a bleach.	Unknown Stabilizers.
30%	Re-Agent Hydrogen Peroxide	Used in medical research.	Contains stabilizers.
30-32%	Electronic Grade Hydrogen Peroxide	Used for washing transistors and integrated chip parts before assembly.	Unknown Stabilizers.
