Springtime Mini Flowers

Synopsis

Now springtime can last all year! Springtime Mini Flowers brings you the best flower projects from American Miniaturist and Dollhouse Miniatures. Making miniature flowers has never been so much fun. Projects include daisies, tulips, daffodils and lilacs, all featuring step-by-step instructions to help you along the creative process. Don't miss either of the inspirational chapters, where artists share their wonderful floral works and tips with you. We've even included chapters on how to make planters and displays to house any of the flowers you make. Let your mini green thumb shine, and start your garden today, with Springtime Mini Flowers.

Customer Reviews

This is supposed to be a tutorial book and mostly it's people talking about their creations but not teaching. Don't buy this if you want to learn.

I really like the book but my download has intermittent missing pages. Vital instructions are missing. Completion would be nice!

Really like this book, instructions are clear and you get to make a variety of plants, both in paper and polymer clay

I guess I expected more help in creating flowers than what is in the book.
