# Creative Scroll Saw Segmentation

## Synopsis

The world's leading woodworking author, Patrick Spielman, along with artist Frank Droege presents an enticing array of elegant, affordable scroll saw segmentation projects. Armed with only your saw, a piece of inexpensive soft wood, and these patterns and directions, you can make any one of the more than forty projects offered here. Designed for those familiar with straight-forward scroll sawing techniques and fundamental woodworking, these creations are simple to make but provide impressive results. Lists of tools, paints, finishing supplies, and safety accessories will help you set up an efficient workspace, and an overview of techniques will sharpen your skills. Patrick Spielman resides in Fish Creek, WI and Frank Droege resides in Voorhees, NJ.

## Customer Reviews

great book to get started in segmentation with.

Good.

Nice plans. These are different then the standard plans, Pictures

Some really good patterns and easy to make. I would recommend this book.
