Average Customer Review: 4.0 out of 5 starsÂ Â See all reviewsÂ (5 customer reviews)

Best Sellers Rank: #775,319 in Books (See Top 100 in Books) #121 inÂ Books > Crafts, Hobbies & Home > Crafts & Hobbies > Polymer Clay

Customer Reviews

The book was well written and had good steps and pictures. I think it is more for begginers but not challenging enough for intermediate to advanced clayers.

I purchased 3 of these books -- 2 as gifts for my 2 students in my polymer clay class at a local senior citizen’s center. It has some great projects. I acquired a new student in my last class, and we made a cane from the directions in this book -- and the new student (who knows nothing of polymer clay) did a fine job.Easy to follow directions on all the projects.

Fun projects and doable--instructions are clear.

Looks good for what I want.

okay
